Prohibition of Stakes & Augers:

The City of Boulder City strictly prohibits the use of stakes and augers in city parks. Due to the possibility of wind, we highly recommend sand bags, concrete blocks or water barrels for booth stability – but **you may NOT use stakes or augers** for any reason. Vendors in violation will be asked to leave the event immediately (with no exceptions), will not receive a refund and will be excluded from future events.

All Marketplace vendors will load in by turning off Arizona St. onto California in front of city hall beside Area 2. Pending other vendors and competitors set up, marketplace vendors may drive onto Colorado St to drop off.

SNHD Regulation Compliance for Food Products & Samples

All food products, samples and tastings must be in compliance with all Southern Nevada Health Department regulations. Vendors in violation of SNHD regulations will be ejected immediately and no fees will be refunded.

ANYTHING edible or drinkable must be listed on Marketplace Vendor Application.

Marketplace Vending Applications Considered on a First-Submitted, First-Considered Basis

Incomplete applications, including failure to list products sold will not be considered (nor 'spaces held') until ALL information and full payment has been received.

Exclusivity is not included in the marketplace.
